

CSA Sugar Art Food Safety & Quality Policy

It is the commitment of CSA Sugar Art Management :

“To manufacture and deliver quality products efficiently, in a professional and flexible environment, on time and at the right cost to our customers.”

This will be accomplished by:

1. Robust Food Safety Practices

WE implemented and are working in full compliance with International Standards while respecting our policies, standards and principles.

2. Accountability

WE are accountable to our implemented Food Safety Management System (FSMS) and to engage everyone’s commitment across our entire supply chain and all levels of our organization to strengthen the CSA Sugar Art Quality Culture.

3. Continual Improvement

WE strive for Zero defects and to cut down on waste by constantly looking for opportunities to apply our continual improvement strategy to achieve a competitive advantage.

4. Customer Commitment

WE are committed to satisfying our customers and consumers by valuing what they value and by offering products that always meet or exceed their expectations.
